Uniform Policy

'For in Christ Jesus you are all children of God through faith. As many of you as were baptized into Christ have clothed yourselves with Christ'.

Galatians 3: 26 - 28

St Mary's School Vision

One family: school, church, home and community.

At St Mary's we believe in a culture where:

- Everyone is special, unique and valued: diversity and difference are celebrated. We are all God's treasure.
- Education is holistic; spiritual and moral growth is nurtured. *Life in all its fullness* – John 10:10.
- Inspirational and reflective worship enables all in the school community to encounter the risen Christ.
- Wisdom, knowledge and skills are a focus in everything.
- Everyone does their best at all times with a culture of the highest expectations, respect and consideration for all.
- Everyone can succeed and achieve. Aspiration and inspiration are central to all that we do. *I know the plans I have for you. Plans to make you prosper* – Jeremiah 29:11.
- Creativity and joy in learning is valued.
- The spiritual and emotional well-being of all members of our school community is a priority. Resilience and perseverance are developed in all.
- A community of global citizens of God is created.
- Social action is at the core of our community – on local, national and global levels.

Ethos

Our uniform policy is written very much with our school values in mind. Although we firmly believe in valuing uniqueness and diversity, we feel that a definitive uniform policy:

- promotes a sense of pride in our school;
- engenders a feeling of belonging;
- is practical, comfortable and distinctive;
- identifies the children with our school;
- makes children feel equal to one another in terms of appearance;

- reflects the sense both of community and of diversity that the school takes pride in;
- is regarded as suitable, and good value for money.

Human Rights Act and Equalities Duties

The Governing Body will consider implications of the Human Rights Act when setting its policy for uniform. It should be considerate of the needs of different cultures, races and religions. When accommodating religious requirements, the Governing Body will ensure these do not pose a threat to security, safety and learning, or compromise the well-being of the school community. The policy will not discriminate on the grounds of gender, race, disability, sexual orientation or belief.

Sourcing the Uniform

The Governing Body will be responsible for ensuring the uniform sourced provides value for money and the cost of uniform does not preclude admission to the school. School Trends provides garments with our school logo, yet these are not a requirement and clothes in line with our policy can be bought freely from other outlets, including supermarkets.

Where school uniform vouchers are issued, we ensure that the vouchers can be used in local, accessible retail chains either in person or online.

We have a small amount of pre-loved uniform at school. Parents / carers can access this via contacting the Headteacher or staff may direct relevant uniforms to identified families.

Consultation

Pupils, Parents, Carers and Staff have been consulted with regard to their opinions of our school uniform (September 2019 – 68 returns).

Communication of the Policy

The policy will be communicated in the school prospectus for admissions and on the school website.

Breaching School Uniform Policy

It is the headteacher's responsibility to ensure pupils adhere to the rules and policies of the school. Parents will be informed if children are without proper uniform and no communication has been received from parents. This will also include when children do not have their full P.E kit.

Exclusion on the grounds of breaches of uniform policy should only be used in cases where breaches of uniform policy are persistent and clearly defiant.

This policy will be monitored based upon parent and child opinions and will be reviewed every two years.
