

Phonics at St Mary's

INTENT

At St Mary's we have implemented the Twinkl Phonics DfE approved programme which is a coherently planned sequence of lessons that supports the effective teaching of phonics within EYFS, KS1 and, where appropriate, KS2.

Level 1 Twinkl Phonics provides themed teaching packs for our Nursery Teacher to deliver each of the DfE's Phase 1 phonics aspects. Throughout Level 1, young learners develop the knowledge, skills and understanding to discriminate between and use auditory, environmental and instrumental sounds. Level 1 is taught in the EYFS and runs throughout the teaching of phonics Levels 2-6. In reception, children work within Levels 2-4. Here learners are introduced to phonemes/sounds and graphemes/letters systematically. They also learn to develop and apply blending and segmenting skills for reading and writing.

Within KS1, children work within Levels 5 and 6. The coherently planned sequence of lessons within Level 5 allows Year 1 opportunities for children to apply their phonics knowledge and skills as the prime approach to reading and spelling. It focuses on phonetically decodable two-syllable and three-syllable words and the alternative ways of pronouncing and representing the long vowel phonemes. Furthermore, children will develop their ability to attempt to read and spell increasingly complex words. By Level 6, Year 2 children explore spelling patterns and grammar while also developing a breadth of knowledge, skills and understanding in the recognition and spelling of common exception words.

The Twinkl Phonics Programme intends to not only provide children with opportunities to develop the knowledge, skills and understanding essential for reading and writing, but also, to develop each child's confidence, resilience and engagement in phonics lessons and a love for reading and writing.

IMPLEMENTATION

The Twinkl Phonics Progression Mapping sets clear expectations for pupil's progress within the Twinkl Phonics Programme. The tracking document attached allows the tracking of pupil's progress. It provides opportunities for data analysis and encourages discussions around pupil

progress, group progress, future learning and misconceptions, enabling us to respond and adapt teaching within the programme to provide additional support and challenge to pupils at each review point.

The dynamic and engaging materials delivered in the daily planning packs within Levels 2-6 ensure a clearly defined structure to the teaching of phonics. The direct teacher-led lessons enable all learners to develop and apply new skills while also providing opportunities to further apply these skills within fun and engaging activities and through continuous provision. The teaching PowerPoints, stories, games, additional texts and toolkits are meticulously planned to allow children to apply and practise phonics skills. They also offer opportunities to challenge learners and provide support to teachers and parents.

Teacher guides for each stage are provided to allow teachers and adults working with children to feel confident in their own subject knowledge, knowing they are fulfilling the national phonics criteria and enabling each child to achieve their potential.

IMPACT

The impact of using the Twinkl Phonics Programme as the basis of the phonics teaching within EYFS and KS1 at St Mary's, will be for children to develop their phonics skills and knowledge through a systematic, synthetic approach, while covering the statutory requirements outlined in the 2014 National Curriculum. The programme will prepare children for the statutory year 1 phonics screening check and complements the DfE's Letters and Sounds document. The programme gives a consistent approach to phonics, which is clear to teaching staff and learners. Parental engagement will be enhanced and improved through the use of the parent guidance sheets.

Level 1

Nursery

By the end of Level 1, children will:

- have experienced a wealth of listening activities including songs, stories and rhymes;
- be able to distinguish between speech sounds and many will be able to blend and segment words orally.

Some children will also be able to recognise spoken words that rhyme and will be able to provide a string of rhyming words, but inability to do this does not prevent moving on to Level 2 as these speaking and listening activities continue.

Level 2

**Reception
Autumn 1**

By the end of Level 2, children should be able to:

- give the phoneme when shown any Level 2 grapheme;
- find any Level two grapheme, from a display, when given the phoneme;
- orally blend and segment CVC words;
- blend and segment in order to read and spell (using magnetic letters) VC words, such as if, am, on, up and nonsense words, such as ip, ug and ock;
- read the five tricky words - the, to, I, no, go.

By the end of Level 3, children should be able to:

- give the phoneme when shown all or most Level 2 and Level 3 graphemes;
- find all or most Level 2 and Level 3 graphemes, from a display, when given the phoneme;
- blend and read CVC words (single-syllable words consisting of Level two and Level three graphemes);
- segment and make a phonetically plausible attempt at spelling CVC words (single-syllable words consisting of Level 2 and Level 3 graphemes);
- read the tricky words - he, she, we, me, be, was, my, you, her, they, all, are;
- spell the tricky words - the, to, I, no, go;
- write each letter correctly when following a model.

By the end of Level 5, children should be able to:

- give the phoneme when shown any grapheme that has been taught;
- for any given phoneme, write the common graphemes;
- apply phonics knowledge and skills as the prime approach to reading and spelling unfamiliar words that are not completely decodable;
- read and spell phonically decodable two-syllable and three-syllable words;
- read automatically all the words in the list of 100 high-frequency words;
- accurately spell most of the words in the list of 100 high-frequency words;
- form each letter correctly;
- Use alternative ways of pronouncing and representing the long vowel phonemes.

Year 2

By the end of Level 6, children should be able to:

- read accurately most words of two or more syllables;
- read most words containing common suffixes;
- read most common exception words;
- read most words accurately, in age appropriate books, without overt sounding and blending, and sufficiently fluently to allow them to focus on their understanding rather than on decoding individual words;
- sound out most unfamiliar words accurately, without undue hesitation;
- segment spoken words into phonemes and represent these by graphemes, spelling many of these words correctly and making phonically-plausible attempts at others;
- spell most common exception words correctly.

PHONIC ASSESSMENTS

Children's progress is continually reviewed to allow for support and challenge to be planned to meet their learning needs. Children are formally assessed at the end of each half term.

The national Phonics screening check is performed in June of Year 1. Prior to this the EYFS and KS1 phonics workshop gives parents information about how they can support their children at home with phonics. The purpose of the screening check is to confirm that all children have learned phonic decoding to an age-appropriate standard. The children who did not meet the required standard for the check in Year 1 are rechecked in Year 2 with additional support put in place for them to achieve the required standard. As children enter KS2, provision is made for those children still requiring daily phonics where appropriate and this is supported by the Twinkl Phonics Codebreakers.

PHONICS AND READING

Guided reading and home reading books are closely matched to children's developing phonics knowledge and banded/phonic decodable books form part of teacher assessment of progress.

NB: Twinkl Phonics refer to the common exception words as tricky words however at St Mary's we prefer to refer to them as quick words so that pupils don't see them as difficult words and rather words that don't follow the phonic rules pupils are familiar with.
